divine abode of ambaji

set at the foot of the untamed forestland of the ancient arasur hills and at the lap of ma ambaji the bhagwati retreat is an oasis of comfort , convenience and luxury, absolutely unrivaled in its elegance and majesty in the whole of ambaji town and its neighborhoods.

ambaji, the destination city for millions of devotees who flock here to have the darshan of ambaji ma, is an easy three hour drive from ahmedabad .

tradition has it that following the rudra tandava of shiva, parts of sati's body fell at several places throughout india, and these places are revered as shakti peethas. ambaji is one of the 51 such shakti peethas and it was here, at the mount gabbar, that a piece of her heart fell.
